Description

Noticed by accident.

When we render summary page, we use a trim 50 method and then run urlify on it. It can lead to funny and wrong results.

See attached screenshot, both tickets links lead to #6 and #68, while the message is:

```
tables: adding translation for empty tables #685 #1832
```

I noticed also changelog doesn't have this problem

History

#1 - 22.07.2016 17:54 - Marcin Kuzminski [CTO]

- Target version set to v4.3

- Assignee set to Marcin Kuzminski [CTO]

#2 - 26.07.2016 13:30 - Marcin Kuzminski [CTO]

- Status changed from New to Resolved

#3 - 10.08.2016 03:31 - Marcin Kuzminski [CTO]

- Status changed from Resolved to Closed
