<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Spent time:</b>	0.00 hour
<b>Sorting:</b>		<b>Affected Version:</b>	
<b>Commit Number:</b>			

#### Description

It is essential to have the changeset information displayed in the summary view and the changelog view consistent.

At present the summary view doesn't show commit phase and is shown only in the changelog view. This is sometimes confusing and we get a relief after we visit the changelog view.

Can we display the commit phase in the summary view as well?
