

RhodeCode Control - Feature #5533

Support busybox tar

09.02.2019 19:51 - Catalin Salgau

Status:	In Progress	Start date:	09.02.2019

Target version:		Commit Number:	
Sorting:			
Description			
Busybox tar does not handle --usage(as GNU tar does). Switching rccontrol from			
<pre>local_command("tar", '--usage')</pre>			
to			
<pre>local_command("tar", '--help')</pre>			
yields the same effect while being more inclusive.			

History

#1 - 09.02.2019 20:00 - Catalin Salgau

I'm referring to the installer. I forgot to write that. My target is alpine and other busybox based distros.

#2 - 09.02.2019 22:09 - Marcin Kuzminski [staff]

- Status changed from New to In Progress

Thanks for reporting this. We'll change that command on the next installer release!
