

RhodeCode CE/EE - Feature #5617

Allow PRs to non-head bookmarks

20.05.2020 12:25 - Daniel Neri

Status:	New	Start date:	20.05.2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Sorting:		Commit Number:	

Description

Not being able to create PRs towards bookmarks unless they are heads makes it inconvenient to use bookmarks for branching.

Also see the discussion here: <https://rhodecode-community.slack.com/archives/C19LYA9KQ/p1587567532080400>

A fix for this problem that works for us in 4.18.0 is attached.
